## Program Descriptions

**Birding with a Ranger** - Come see what birds the Ranger is viewing off the Toms Cove Visitor Center deck. Join us anytime during the 1 hour window. Some binoculars and field guides will be available.

**Creature Feature** - Gather 'round the ranger and today's mystery "guest." Learn the life and lore of a special Assateague resident during this informal discussion.

**Story by the Sea** — You're never too old for a story by the sea. Come learn about an animal that calls Assateague home. Make a craft to share with family and friends.

**Sheep by the Sea** - Before there was pony penning, there was "sheep penning." Discover how sheep, brought here in the 1600's, played a role in the lives of the island folks. Touch wool. See how a spinning wheel works. Imagine living here during another time. Join us anytime during the 1 hour window.

**Aquarium Talk** - The marine aquariums in the Toms Cove Visitor Center are just a "drop in the bucket" of the diversity of life surrounding the island. Get a peek at who is swimming around out there with you!

*The National Park Service assists the U.S. Fish and Wildlife Service in interpretation and recreation management, but only in the Toms Cove area of the Virginia portion of the island. The Chincoteague National Wildlife Refuge provides many other activities throughout the rest of the refuge. Contact them at 757-336-6122 for program details.*
